Hi Joe,

Quick question – do you know when we might expect to receive them after you all have met?

Thanks,
Barb

Hi Joe,

Thanks for the update on the status of the maps and I'll pass this along to those involved in the study here and at DOE. We look forward to receiving them and discussing our options for a site.

Thanks,
Barb

Hello Barbara,

We have been evaluating various locations and plan to meet internally this week with our Division and Corporate offices. Please let everyone on your team know our status.

Thank you,
